

GRAFTON COUNTY COMMISSIONERS' MEETING
Administration Building

June 14, 2022

OTHERS PRESENT: Director Andross, Maintenance Supt. Oakes, HR Director Clough, Farm Manager Nelson, County Attorney Hornick

Commissioner Piper called the meeting to order at 9:00 AM and began with the Pledge of Allegiance.

Director of Communications Andross arrived to discuss the FY23 Dispatch Billing.

Director Andross stated that they have finalized the Fiscal Year 2023 Dispatch billing. Their new customers have not had a whole twelve (12) month period to count their activity accurately and therefore he is leaving their fee at the FY22 rate. He noted that they have also traditionally capped any increase at 30%

Director Andross stated that he had a conversation with Chief Trott following up from his conversation with Commissioner Ahern and any immediate concerns that Chief Trott had, have been addressed. Commissioner Ahern stated that a concern Chief Trott had was that towns have a different fiscal year than the county and that will be a constant issue. There needs to be an adjustment in the communications. Director Andross explained that their activity year is April – March, which gives them time from the end of March until now to prepare for the upcoming fiscal year. Commissioner Lauer asked if they could make their activity year January – December. Director Andross stated that Dispatch billing used to be calendar year and that was changed roughly ten (10) years ago. There were just as many problems for the towns as there were the county by doing it on a calendar year. He noted that he does not believe the county has ever been in a situation where someone said they are unable to pay their bill. He stated that the Commissioners have made adjustments to those extenuating circumstances.

MOTION: Commissioner Lauer moved to adopt the FY23 Annual Dispatch Billing Schedule. Commissioner Ahern seconded the motion and all were in favor.

Agenda Items:

1. Commissioner Piper asked if everyone had a chance to read the minutes from the June 7th meeting. Commissioner Ahern had a couple of edits.

2. CA Libby reported that the county received its 2nd half of ARPA funds last Thursday and they now have the full \$17.5 million. She stated that the first half is in the Bank of NH account earning .3% interest. She is going to talk with the Treasurer and have her see if they can get a better rate for the second half. CA Libby noted that they also received the proshare payment of just under \$5 million. There is \$25 million in the general fund until we move the ARPA money out.
